Meeting Description:

Greetings! The California eHealth Collaborative is delighted to announce the inaugural session of the 2010 California eHealth Collaborative Webinar Series.

On **March 9, at 1:00PM PST**, CAeHC will welcome CEO Michele Kang. Ms. Kang will speak about CAeHC's current initiatives, and what 2010 will hold for the organization.

When founded in February 2009, the California e Health Collaborative (CAeHC) collaborated with the stakeholders in the California communities and across the nation that were actively pursuing health information technology and exchange as a strategy to improve the access, quality and efficiency of patient care in California.

In 2010, CAeHC will carry on the work of achieving a vision for HIT supporting care. We continue to partner with organizations in achieving our mission, consistent with that of the state, which is **to provide an open and inclusive approach for eHealth activities in California that will drive the development of secure access to clinically-relevant information at the point of care.** CAeHC will focus on implementation strategies,
