Camarillo Health Care District CEO Named Ventura County Manager of the Year

VENTURA COUNTY, CA, *March 5, 2010* – **Jane Rozanski**, Chief Executive Officer of the Camarillo Health Care District, has been selected as Ventura County's **General Manager of the Year**, by the Ventura County Special Districts Association (VCSDA). This award recognizes leaders in the County's special districts who are providing exceptional leadership and whose panorama of experience makes an impact on the communities in which the districts serve.

There are more than 30 special districts located within Ventura County. VCSDA's purpose is to promote the efficient, economical and responsive manner in which public services are provided by the Independent Special Districts of Ventura County.

The Camarillo Health Care District provides a wide variety of health, wellness and safety programs and services, including state-licensed Adult Day Services, Lifeline emergency response button, Transportation, Nail Care Clinic, Counseling, Senior Lunch Program, Exercise, Health Screenings and Immunizations, Case Management Services, Chronic Disease Self Management Programs, Caregiver Training and Education, and more. For more information, please call 805-388-1952.
